Vispool

VISPOOL® is a Latvian brand with more than twenty years of experience in the design and manufacture of cast stone bathtubs, washbasins and shower trays.

Our products are manufactured using proprietary MARMORYL technology, developed by our company to provide a homogeneous material structure, high durability, long service life and a pleasant surface feel.

A significant part of the manufacturing process is carried out by hand, ensuring careful attention to every detail and reliable quality control throughout production. Selected products can be adapted to bespoke dimensions and non-standard project requirements, making them suitable for a wide range of interiors.

VISPOOL® products are intended for long-term use and are suitable for both residential and professional projects in Latvia and across Europe.

MARMORYL® Advantages of the technology TECHNOLOGY

- ✓ Solid and stable construction
- ✓ Made with 85% natural marble
- ✓ Uniform, dense structure
- ✓ Excellent heat retention
- ✓ Ergonomic design
- ✓ Reduced noise when filling the bathtub
- ✓ Hygienic, easy-to-clean surface
- ✓ Reliable 10-year warranty
